

PORT TACKLES VENDOR HARASSMENT AT MAINGATE HEAD ON

Cruise Passenger harassment outside of the port's Main gate has been a growing concern for the Port Authority for several years. This worry triggered the port to present a formal petition to the designated authority in charge of maintaining the civic order on the streets outside the Main gate. The port specifically requested that the "Polis di Bario", the local authority vested with the powers to regulate vending on the open roads in Oranjestad, enforce the rules and regulations to keep the streets safe and hassle free. We are happy to announce that we received full and immediate support of said organization. So far we have been successful in together with local police to have the regulations and control in place in order to prevent passengers from returning to their ships. Hopefully a designated area will be assigned to TO's in the near future by the respective authorities.

NEW LUGGAGE DROP OFF AREA

Service aspects at the Port of Oranjestad have been qualified as one of the top rated compared to other ports in the region. Our efforts to maintain and improve on what we have, has led us to add a new user-friendly service. Our new LUGGAGE DROP-OFF-AREA is expected to, not only provide embarking Pullmantur guests with an extra added value, but also allows the Port of Oranjestad to be better prepared to handle future turnaround and/or home porting efforts.

SUPPORT FOR THE RED CROSS DURING CUP CAKE FESTIVAL 2014

We congratulate the Red Cross of Aruba for an outstanding Cupcake Festival sale/competition event on Sunday September 7th. On behalf of the Aruba Ports Authority, and our volunteers, we look forward to supporting your efforts to recruit members, volunteers and also raise funds for young mothers with young children in need in the future. #HelptheRedCrossHelpYou

Did you know that while the Carnival Breeze is the vessel that arrived with the most passengers on board this year so far (4,690 on August 6th), Pullmantur's Monarch has brought in the largest total amount of passengers for 2014 (69,782). Keep 'em coming!
