

Aruba Ports Authority N.V. (APA) aims to provide a safe, efficient, accessible transport system that guarantees the mobility of people and goods and contributes to economic development and cruise tourism. APA manages both the port in Oranjestad and the port in Barcadera. APA is an organization with ambitious plans for the future and is looking for candidates for the position:

## ICT Officer

### ***Primary duties & responsibility:***

As an ICT officer you are responsible for the management and maintenance of all IT systems and the IT infrastructure of APA. You research, support and advise the management on (strategic) IT matters and innovative IT-related services. In addition to the daily management of these environments (network, servers, security, and firewalls, but also workplaces), you also pay attention to various projects, such as redesign and implementation projects. You also guarantee continuity in the daily activities that are facilitated by IT systems.

### ***Qualifications:***

Prospective candidates should meet the following requirements:

- ✓ Possess a bachelor's degree in computer science/information technology or equivalent degree
- ✓ Up-to-to-date knowledge of networks, servers, security and firewalls
- ✓ A 'hands-on' mentality
- ✓ Analytical, communicative, and solution-oriented
- ✓ Honest, creative, and innovative
- ✓ At least 3 years of experience in a similar position.
- ✓ Excellent verbal and written communication skills in English, Dutch, Spanish, and Papiamentu

### ***Working conditions:***

APA offers competitive employment conditions and a challenging position in a dynamic organization. In accordance with scales of the current collective labor agreement.

### ***Information and application:***

If you are interested in this position and think that you meet the qualifications, please send your application letter and curriculum vitae by November 29, 2021 to [hr@arubaports.com](mailto:hr@arubaports.com)
